- be in English. If original documents are not in English, you must provide a certified copy of the original document and translation in accordance with AHPRA guidelines, which are available at www.ahpra.gov.au/registration/registration-process
- be initialled on every page by the authorised officer. For a list of people authorised to certify documents, visit www.ahpra.gov.au/certify

Certified copies will only be accepted in hard copy by mail or in person (not by fax, email, etc). Photocopies of previously certified documents will not be accepted. For more information, AHPRA's guidelines for certifying documents can be found online at www.ahpra.gov.au/certify

CHANGE OF NAME

You must provide evidence of a change of name if you have ever been formally known by another name(s) or any of the documentation you are providing in support of your application is in another name(s).

Evidence must be a certified copy of one of the following documents:

- Standard marriage certificate (ceremonial certificates will not be accepted).
- Deed poll.
- Change of name certificate.

Faxed, scanned or emailed copies of certified documents will not be accepted.

CONTINUING PROFESSIONAL DEVELOPMENT (CPD)

All practising registrants must complete at least 25 hours of CPD per annual registration period. At least half must be formal learning activities and the rest may be 'informal' learning activities. Formal learning activities are activities that contribute to the maintenance and development of clinical competencies and clinical practice with the expectation that these activities will contribute to minimising risk, improving patient safety and health outcomes. All practitioners must complete a first aid course at least every three years to the standard set out in HLTAID 003 Provide First Aid or its equivalent (this is in addition to the minimum 25 hours of annual CPD).

For more information, view the full registration standard online at www.chiropracticboard.gov.au/Registration-Standards

CRIMINAL HISTORY

Criminal history includes the following, whether in Australia or overseas, at any time:

- every conviction of a person for an offence
- every plea of guilty or finding of guilt by a court of the person for an offence, whether or not a conviction is recorded for the offence, and
- every charge made against the person for an offence.

Under the National Law, spent convictions legislation does not apply to criminal history disclosure requirements. Therefore, you must disclose your complete criminal history as detailed above, irrespective of the time that has lapsed since the charge was laid or the finding of guilt was made.

The Board will decide whether a health practitioner's criminal history is relevant to the practice of the profession.

You are not required to obtain or provide your Australian criminal history report, AHPRA will obtain this check on your behalf. You may be required to obtain international criminal history reports. For more information, view the registration standard online at

www.chiropracticboard.gov.au/Registration-Standards

CURRICULUM VITAE

Your curriculum vitae must:

- detail any gaps in your practice history of more than three months within the past five years
- indicate whether positions were undertaken full-time or part-time, and specify the nature of any practice (e.g. provision of clinical care,

management, administration, education, research)

- detail your continuing professional development history, study you have undertaken and qualifications obtained
- be in chronological order
- be signed and dated with a statement 'This curriculum vitae is true and correct as at (insert date)'
- be the original signed curriculum vitae (no faxes or scanned copies will be accepted).

It must also contain all the elements defined in AHPRA's standard format for curriculum vitae which can be found at www.ahpra.gov.au/cv

ENGLISH LANGUAGE SKILLS

To be eligible for registration you **must** be able to provide evidence of English language skills that meet the Board's *English language skills registration standard* which can be found at www.chiropracticboard.gov.au/Registration-Standards

IMPAIRMENT

Impairment means a physical or mental impairment, disability, condition, or disorder (including substance abuse or dependence) that **detrimentially affects or is likely to detrimentially affect your capacity to practise the profession**. The National Law requires you to declare any such impairments at the time of renewal, including details of the impairment and how it is managed.

PRACTICE

Practice means any role, whether remunerated or not, in which you use your skills and knowledge as a health practitioner in your profession. Practice is not restricted to the provision of direct clinical care. It also includes using professional knowledge in a direct non-clinical relationship with clients; working in management, administration, education, research, advisory, regulatory or policy development roles; and any other roles that impact on safe, effective delivery of services in the profession.

PROFESSIONAL INDEMNITY INSURANCE (PII)

You must have PII, or some alternative form of indemnity cover that complies with the Board's standard, for all aspects of your practice.

Initial registration and annual renewal of registration requires a declaration that you will be covered for all aspects of practice for the whole period of the registration. You may be covered by your Australian employer's PII – you will need to confirm this with your employer.

The Board requires that practitioners maintain a level of cover that is adequate and appropriate for the scope and nature of their practice. The cover must include civil liability cover, appropriate retroactive cover, automatic reinstatement and appropriate run-off cover for when they cease practice.

For more information, view the full registration standard online at www.chiropracticboard.gov.au/Registration-Standards

REGENCY OF PRACTICE

To ensure that you are able to practise competently and safely, you must satisfy the Board's *Recency of practice registration standard*.

The Board notes a distinction between clinical practice and non-clinical practice. You must be recent in the type of practice you seek to undertake. If you are recent in clinical practice you are automatically recent in non-clinical practice.

All practising registrants must have carried out at least 150 hours of practice in the previous 12 months or 450 hours of practice in the previous three years. If a practitioner satisfies the hours requirement for recency of practice but has been continuously absent from practice for two years in the previous three years then they do not immediately satisfy the recency of practice requirement and will be required to satisfy the Board as to their current competency.

A practitioner who does not satisfy the hours requirement will also be required to satisfy the Board as to their current competency.

Practitioners who have completed their qualification or an overseas-trained practitioner competency assessment within two years prior to applying for renewal of registration are exempt from this requirement.

Practitioners who do not immediately satisfy the recency of practice requirements should refer to the full registration standard online at www.chiropracticboard.gov.au/Registration-Standards
