re Code of professional conduct for chiropractors

michael bishopp to natboards 07/04/2010 08:14

Attention to the Chair Chiropractic Board of Australia
My name is Dr.Michael Bishopp registered chiropractor in Queensland.
I would respectfully suggest that the entire Code of Professional Conduct for Chiropractors be omitted as it will only cause confusion and place an unnecessary regulatory burden for little to no effect. I would also ask that registrants be advised of such planning in the future earlier.
