[illegible] me [illegible] [illegible] [illegible] [illegible] [illegible]

Dear Sir,
At first glance your proposal (guidelines) seems over zealous. The fact that they
have not been put in front of our profession for discussion, can only make one
feel suspicious of another agenda.
Look forward to your reply.

Yours faithfully,
Malcolm Edge, DC, DO
105 Pitt Street
Sydney 2000
